Dear Colleague,

On behalf of the ICES Council, Science Committee, and Secretariat, I would like to take this opportunity to thank your institution for enabling Piotr Margonski to take a leading role in the ICES community. Piotr Margonski as Chair of the Working Group on Zooplankton Ecology (WGZE) and his group members have made an important contribution to marine science and developing effective collaborations within the ICES network, and we greatly appreciate their work.

In recognition of these efforts, it is my pleasure to enclose the ICES Service Award for Piotr Margonski's work as Chair of the WGZE for the past six years.

We look forward to working with you in future.

Yours sincerely,

Anne Christine Brusendorff
